Web Announcement 2286

Claims with Evaluation and Management (E&M) Codes Billed with Procedure Codes 93303 and 93306

Some claims submitted with an evaluation and management (E&M) code on the same day as Current Procedural Terminology (CPT) codes 93303 (Ultrasound examination of congenital heart defect) or 93306 (Ultrasound examination of heart including color-depicted blood flow rate) denied in error with error code 7216 (No separate reimbursement for visit procedure). Effective March 16, 2020, these claims no longer deny in error.

Claims processed on or after February 1, 2019, through March 16, 2020, with CPT codes 93303 or 93306 and E&M codes 99211-99215 or 99217 that denied with error code 7216 have been automatically reprocessed. Results of the reprocessed claims appear on remittance advices dated August 28, 2020.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
